Candle and Soap Making Supplies

Wicks & Wax Covid 19 Update

Retail store closed from March 19, 2020

After due consideration, and in the interest of our customers and staffs' health and well being, we at Wicks & Wax have made the very difficult decision to close our retail store facility starting Friday March 20, 2020 until further notice.

This decision will not affect our existing telephone, email and online ordering process.

We will continue to supply and support our valued customers by offering a pickup service by appointment.

1. Please call in, email or fax a completed pdf order form found on our website.
2. We will process your order and notify you by phone when it is ready for pick up.
3. When you get here, you can call us from your car, and we'll pass your order to you at our back loading bay door. (That's the white door second from the end).

This decision has been taken based on the advice of our provincial and Federal leaders and health care professionals who have requested every Canadian take every precaution to practice Social Distancing in an effort to minimize the spread of the Covid 19 virus.

We thank you for your understanding and cooperation. We look forward to your continued support as we fight this together.
